Every year it's important that you review the requirements for operating your Simplified Employee Pension (SEP) plan. Use this checklist to help you keep your plan in compliance with many of the important rules. Click on "(More)" in any of the questions for additional information (including examples) on how to find, fix and avoid each mistake. See www.irs.gov/retirement and click on "Types of Retirement Plans" for Fix-It Guides, and other resources for SEPs and other plan types.

If you answered "No" to any of the above questions, you may have a mistake in the operation of your SEP plan. This list is only a guide to a more compliant plan, so answering "Yes" to each question may not mean your plan is 100% compliant. Many mistakes can be corrected easily, without penalty and without notifying the IRS.
