Fax Cover Sheet

print your own fax cover sheets
Customized fax cover sheets can reinforce your "brand identity" and make your business look more professional. Follow these steps to use our Microsoft™ Word™ templates:

1. Select a template. Click on a title to preview an image.
2. Download or open a template depending on your browser. Instructions are on each preview page.
3. Customize the template with your text and logo.
4. Print! For best results, use HP specialty papers.
