

JUMBO COLORED SLIME RECIPE

INGREDIENTS

3 - 4 fl. oz. bottles Elmer's White School Glue
1½ TBSP baking soda
3 TBSP contact lens solution
Food coloring (your choice)

1 Mix together entire contents of (3) 4 fl. oz. bottles Elmer's White School Glue and 1½ TBSP baking soda in a bowl.

2 Add desired amount of food coloring, then add 3 TBSP contact lens solution and mix until slime begins to form.

3 Take slime out of bowl and begin kneading with both hands. If needed, add ¼ TBSP contact lens solution to make slime less sticky.
