

Ink Jet Bumper Stickers

Produce photo-quality color repositionable stickers with your inkjet printer by downloading the bumper sticker template off of the Office Depot Web Site: <http://www.officedepot.com/links/PaperTemplates>

Print self-adhesive bumper stickers for business automobiles, school transportation, signs, emblems and personalized toys using your Office Depot Web-downloaded sticker template.

Office Depot Template Downloading Instructions:

1. Go to the Office Depot website: <http://www.officedepot.com/links/PaperTemplates>
2. Click on the Bumper Sticker Template.
3. Once in the template you will need to activate the text boundary box to create your stickers by doing the following:
 - Click on Tools
 - Click on Options
 - Select Text Boundaries from the View Tab
 - Click OK
 - The text boundary boxes will appear.
4. Click inside the template anywhere to activate the handles and the cursor.
5. Once the cursor has appeared in the template you can begin creating your stickers.
6. To create the same sticker on the sheet simply copy and paste your design in the first sticker to the other sticker in the template.
7. Your stickers will print out without the text boundary boxes being printed.
